departure! Lyrics

by Masatoshi Ono

from Hunter x Hunter (2011)

You're awakening as you tread the earth.	大地(だいち)を踏(ふ)みしめて 君(きみ)は目覚(めざ)めていく
Lead us out with an angelic smile!	天使(てんし)の微笑(ほほえ)みで 連(つ)れ出(だ)して!
Even when you're alone, you're not on your own.	孤独(こどく)でも 一人(ひとり)じゃないさ
Your birth definitely has significance.	生(う)まれてきたことに 必(かなら)ず意味(いみ)がある
Thank you, Earth,	優(やさ)しさに 満(み)ち溢(あふ)れてる
Brimming with gentleness.	青(あお)い地 球(ちきゅう)(ほし)にありがとう
You can smile again.	You can smile again
Bask in the sun.	太陽浴(たいようあ)びて
You can fly away.	You can fly away
The world is waiting for you to shine.	世界(せかい)は君(きみ)の 輝(かがや)きを待(ま)ってる
You're awakening as you tread the earth.	大地(だいち)を踏(ふ)みしめて 君(きみ)は目覚(めざ)めていく
Lead us out with an angelic smile! (You can smile!)	天使(てんし)の微笑(ほほえ)みで 連(つ)れ出(だ)して!(you can smile!)
It's never too late to start.	"始(はじ)まり"はいつでも遅(おそ)くないさ
Get up again and again!	何度(なんど)でも立(た)ち上(あ)がれ!
We won't give up till the very end.	最後(さいご)まで あきらめないさ
Continuing on definitely has significance.	やり続(つづ)けることに 必(かなら)ず意味(いみ)がある
You just try again.	You just try again
Escape the darkness.	闇(やみ)を抜(ぬ)けて
You just go away.	You just go away
The future is always waiting for us.	未来(みらい)はいつも 僕(ぼく)たちを待(ま)ってる

Dash through the heavens and cross the oceans.

Catch the angel's air kiss! (You can try!)

Let's fly out to a world

That nobody has seen yet.

大空駆けぬけて海原越えて行け

天使の投げキッス捕まえて!(you can try!)

まだ誰も見たことない世界へ

飛び出そう明日

You're awakening as you tread the earth.

Lead us out with an angelic smile.

Let's set out on a never-ending adventure.

As long as we want, wherever we want.

大地を踏みしめて君は目覚めていく

天使の微笑みで連れ出して!(you can smile!)

終わらない冒険に出掛けよう

いつまでもどこまでも

You're turning the tears running down your cheeks into courage.

Spread your angelic wings and soar! (You can fly!)

Wrap up your sadness and pain,

And get stronger tomorrow.

流れ落ちる涙勇気に変えていく

天使の羽広げ舞い上がれ!(you can fly!)

悲しみも痛みも包みこんで

強くなれ明日

You're awakening as you tread the earth.

Lead us out with an angelic smile! (You can smile!)

It's never too late to start.

Again and again! (You can try!)

Again and again! (You can try!)

Get up again and again!

大地を踏みしめて君は目覚めていく

天使の微笑みで連れ出して!(you can smile!)

"始まり"はいつでも遅くないさ

何度でも!(you can try!)

何度でも!(you can try!)

何度でも立ち上がれ!
